

# **FIRE** CAN HAPPEN IN YOUR COMMUNITY

## **CLAUNCH-PINTO SOIL & WATER CONSERVATION DISTRICT AND TORRANCE COUNTY COMMUNITY WILDFIRE PROTECTION PLANS**

What are they and how can you be involved?

### What does a Community Wildfire Protection Plan do?

- Identifies areas at risk for wildland fire
- Makes recommendations for hazardous fuels treatments
- Makes recommendations for actions homeowners can take to reduce fire risk
- Encourages you to share your ideas about areas that need prevention work

## **LEARN HOW TO PREPARE FOR A WILDLAND FIRE**

### **Visit us at the Public Meeting**

**December 10<sup>th</sup>, 6:30 p.m.**

**Dr. Robert J. Saul Community Building  
Corner of Beal and Roosevelt Avenue  
Mountainair, New Mexico**

### **- PLEASE TELL US -**

**Where is the greatest fire threat?  
Which areas need fire prevention work?  
Speak with other locals who are involved!**
